INFORMATION ABOUT THE SERVICE

Service Description

The Mint Broadband Plan is an internet service using wholesale services supplied to us by M2 Wholesale. You can transfer your existing broadband service or activate a new service with Mint on your existing PSTN service.

Bundling is optional. A monthly \$20 discount will apply to the Mint Broadband Plan when bundled with an active phone service on the same Mint account. An active phone service can be a standard PSTN line or digital ISDN line.

If you cancel your service within the Contract Term, Early Termination Fees (ETF) will apply. ETF is calculated as \$99 per service.
